

# PART-TIME RESIDENTS ADVISORY BOARD

## Who We Are

The Part Time Residents Advisory Board is appointed by the Snowmass Village Town Council to serve as a liaison between the Town Council and the Town's part-time, non-voting, property owning residents. The seven-member Advisory Board is comprised of part-time residents, three of whom represent condominium owners, two of whom represent single-family home owners, and two of whom are at-large representatives. Each board member serves a 3-year term.

## What We Do

The mission of the PTRAB is defined by the originating ordinance [No. 09, Series 2005, 08/11/05], which states that the Advisory Board is to "...provide a mechanism of communication and education between part-time residents and the Town..." and "...provide input on issues to assist the Town Council in the establishment of Town policy."

## How We Do It

The Board meets in person every month, and the meetings are made available to the public and absent board members via telephone conference call.

PTRAB members stay informed on Town matters by attending Town Council meetings or viewing them online.

Two ongoing efforts to increase our outreach to part time residents are to invite part-timers to sign onto the PTRAB email list and to invite homeowners associations to designate one or more of their members to serve as a liaison to our Board, attend our on-site meetings in January and July and ensure that our email communications are shared with members of their homeowners association.

The TOSV has been indispensable in assisting/maintaining a webpage for the PTRAB, where notes from our conference calls, contact information for current Advisory Board members, and other PTRAB documents may be found, [www.tosv.com](http://www.tosv.com) under the Boards & Commissions tab. We welcome your interest in our Board and hope to hear from you!
