SHARE YOUR THOUGHTS ON THE ROUNDABOUT PROJECT

The public is invited to provide feedback on this project during the regular Town Council meeting on September 2. The meeting is being held in the Council Chambers at Town Hall (130 Kearns Road) at 4:00 p.m.

The proposed roundabout replaces the existing intersection and also includes pavement reconstruction, additional bus stops, pedestrian walkways, retaining walls, storm drainage, utility improvements, and multimodal trail improvements. This project improves the safety of the intersection for all users.

EXPANDED SUMMER SHUTTLE SERVICE

Beginning June 2 through September 21, residents and visitors of Snowmass Village can enjoy expanded transit service seven days a week, from 6:45 a.m. to 12:00 a.m., thanks to the State of Colorado's Zero Fare for Better Air Program.

During this period, the Snowmass Village Shuttle will offer free curb-to-curb service across all accessible, public, paved roads within the Town of Snowmass Village. Riders can request rides via the Village Shuttle App, making it easier than ever to get around town without the hassle of parking or driving.

Curb-to-curb service means the shuttle will pick up passengers near the bottom of their driveways or designated accessible locations. Passengers should be prepared to enter and exit the vehicle independently.

Fixed Routes Still in Operation: Route #3 and Route #4 will continue to operate on their regular schedules. Residents living within $\frac{1}{4}$ mile of these routes are encouraged to continue using them during operating hours. For detailed schedules and stop locations, please visit villageshuttle.com/133/Routes-Schedules.

Please note that the expanded curb-to-curb service will not be able to accommodate bicycles.

This enhanced transit offering aligns with the state's commitment to reducing emissions and improving air quality during the busy summer season. Whether heading to work, the trail, or dinner in the Village, let the shuttle take you there — for free.

Learn about this critical infrastructure project

Roundabout at Brush Creek & Owl Creek Roads

What's happening at this intersection?

- The proposed roundabout replaces the existing intersection and also includes pavement reconstruction, additional bus stops, pedestrian walkways, retaining walls, storm drainage, utility improvements, and multimodal trail improvements.
- This project improves the safety of the intersection for all users.

Why a roundabout?

- Improving this intersection with a roundabout improves its safety and functionality for all users - motorists, bicyclists, pedestrians, and transit services.
- This construction will allow the Town and its partner agencies to update critical underground utilities & other infrastructure.
- This intersection currently operates at a *failing level-of-service*. Safety is compromised during inclement weather, busy times of the year, and other operating conditions.

What's the cost?

- Estimated Project Cost: **\$8,500,000**
-

Learn about the early childhood education project at the

Little Red Schoolhouse

What's happening at the Little Red Schoolhouse?

- Expanding childcare capacity from approximately 25 students to approximately 65 students.
- Adding four new classrooms in an updated building.
- Improving playground and outdoor learning spaces.

Why expand access to childcare in Snowmass Village?

- Adequate access to childcare is an important component of thriving communities.
- In 2021, Town Council adopted a goal to “Explore an enhanced use of the Little Red Schoolhouse to provide an improved and enlarged childcare/early learning facility.”
- The existing childcare facility has exceeded its capacity and is currently on a waitlist.

Transit Center

Why add a Transit Center to the Snowmass Mall?

- Combines **local & regional transit** in one location.
- Meets **current demand** - RFTA & Village Shuttle have dedicated spaces.
- Improve **transit users' experience** - adds restrooms and improves waiting areas.
- Improve **accessibility** and **welcome experience** to the Snowmass Mall.

How did we get to this point?

- **Over 40 years of public transit** planning and service.
- Support from **local, regional, and federal** transit partners.
- **Conceptual design & environmental assessment** completed.

What's the cost?

- The project is estimated to cost between \$40-60M, depending on design elements.
- Current funding structure:
 - Local sources: **\$9 million**.
 - Federal sources: **\$13.5 million**.
 - Approximate **\$20M funding gap** to be filled by a combination of local, state, and federal sources.

PEDESTRIAN SAFETY IN SNOWMASS VILLAGE

The Town of Snowmass Village is committed to creating a safe and walkable community by investing in infrastructure that promotes pedestrian safety. From well-maintained sidewalks and clearly marked crosswalks to rapid flashing beacons at key intersections, these improvements help ensure safer travel for everyone on foot.

As residents and visitors, we can all do our part. Use crosswalks whenever available, activate flashing beacons before crossing, make eye contact with drivers, and wear bright or reflective clothing—especially in low-light conditions.

Drivers: please slow down, stay alert, and always yield to pedestrians, particularly at crosswalks with active flashing beacons.

Together, let's keep Snowmass Village a safe and welcoming place for walkers of all ages.

TOWN CONSTRUCTION PROJECT UPDATES

The Town of Snowmass Village works year-round to provide core municipal services such as snow removal, road and infrastructure maintenance, transit, and transportation services, parks and trails maintenance, recreation programs, public safety, and strong fiscal management.

Occasionally, the Town also works on special long-term projects and initiatives. These projects typically span multiple years, and the Town seeks community input and participation to make them a success.

SNOWMASS VILLAGE TRAILS

A World-Class Trails System!

Snowmass Village is naturally blessed with the components of a world-class trails system: good terrain, good views, and good infrastructure. The Parks, Recreation & Trails Department manages 24 town trails (both paved and unpaved) for the safety and enjoyment of outdoor enthusiasts of all types and abilities.

Use of E-bikes and E-Boards in Snowmass Village

Please be aware that all e-bikes, including e-boards, are prohibited on all unpaved and dirt trails in Snowmass Village

SNOWMASS VILLAGE TRAIL ETIQUETTE

Whether you're hiking, biking, or out with your dog, Snowmass trails offer something for everyone—and that means they're shared by everyone. A little courtesy goes a long way in keeping our trail system safe, scenic, and sustainable.

Stick to Open Trails

Always follow posted signs and avoid closed routes. Biking is not allowed in federally protected Wilderness areas, and trespassing on private land not only causes damage but also risks access for others.

Muddy? Maybe Not Today

If the trail is wet or muddy, consider a different route. Tire ruts and footprints in soft ground lead to erosion and long-term damage. It's a small choice that makes a big difference.

Leave No Trace

Stay on the trail. Don't cut switchbacks or make new paths. Pack out all trash (yes, even dog waste!) and avoid disturbing plants, wildlife, or historic features. Let's keep nature natural.

Leash Laws in Effect

In 2023, the Town updated its leash laws. Dogs must be leashed in key public areas—like the Rim Trail, Base Village, and Fanny Hill. Outside those zones, dogs may be off-leash only if under full voice control. Be sure to check signs and respect more restrictive HOA rules.

Yield, Smile, Be Kind

Uphill travelers get the right of way. Bikers yield to hikers and horses. Say hello, ring a bell—simple gestures that keep everyone feeling welcome and safe on the trail.

Respect Wildlife

Watch from a distance and never feed animals. Move calmly and give space, especially around horseback riders. We're lucky to share these spaces—let's make sure wildlife stays wild.

Be Ready

Mountain weather can change fast. Bring layers, water, and a plan. And if you see trail maintenance vehicles, give them room—they're working hard to keep our trails in top shape. For emergencies, call 911 or contact the Snowmass Ranger Station at 970-923-0531.

PITKIN AND EAGLE COUNTY STAGE 1 FIRE RESTRICTIONS

ALLOWED

Professional fireworks displays are permitted (with a valid, signed fireworks permit only)

Fires in permanent fire pits at private residences or within developed recreational sites such as a campground, or picnic area.

Chimneys, fire pits, and tiki torches at private residences or within a developed park, campground, or picnic area supervised by a responsible adult.

Fires contained within liquid fueled or gas fueled stoves, lanterns, or heating devices.

NOT ALLOWED

Personal use of all fireworks is prohibited.

Any fire or campfire, not within a permanently constructed fire grate in a developed park, campground, private residence, or picnic area.

Smoking, except within an enclosed vehicle or building, a developed recreation site, or while stopped in an area of at least six feet diameter that is barren or cleared of all combustible material.

Explosive Targets

Operating or using any internal or external combustion engine without a spark-arresting device properly installed, maintained, and in effective working order

Welding or operating acetylene or other torch with open flame EXCEPT in cleared areas of at least 10 ft in diameter and in possession of a chemical pressurized fire extinguisher.

RECEIVE EMERGENCY NOTIFICATIONS THROUGH PITKIN ALERTS

Pitkin Alert is an emergency notification system that alerts residents and business owners through text messages, email, cell or land line phones.

In the event of a wildfire incident, Pitkin Alert will send you up-to-date notifications about the fire, associated road closures and evacuation orders. You must register for the free alerts at PitkinAlert.org.

The graphic is a rectangular sign with a white left half and a black right half. On the white side, there is a Wi-Fi symbol above the text 'PITKIN ALERT' in bold black and red letters. Below that, it says 'Pitkin County Emergency Notification' and lists four bullet points: Wildfire Threat, Road Closures, Traffic Delays, and Flooding. On the black side, it says '...what you need to know' in white, followed by 'Sign Up Today' and 'www.PitkinAlert.org' in white, and 'It's Free!' in red.

WANT TO REPORT AN EMERGENCY, INCIDENT, OR CONCERN?

To report an emergency, please dial 911.

To report an incident or accident that is not an emergency, please contact the Police Department at 970-923-5330.

To report a concern, comment, or compliment and you do not require an immediate response, please submit through our [online request tracker](#). We are always looking for better ways to serve the community, and appreciate your feedback.

Stage 3: Extreme Drought in Snowmass Village

Wildflowers above East Snowmass Creek showing signs of this summer's drought.

Snowmass Village is in a Stage 3 "Extreme Drought", per the US Drought Monitor, July 29, 2025. The District is asking all residents and visitors to voluntarily reduce 10% of their use to help us conserve water resources. **While we have enough water for daily needs, we should avoid waste and cut use wherever possible.**

Snowmass Creek is currently running **60% below** average streamflow.

Our water use in Snowmass Village is generally 2.5 x higher in summer months than in winter. A significant portion of summer use is outdoor irrigation.

LIVING WITH WILDLIFE

In most situations, people and wildlife can coexist. When observing wildlife, you are too close if you change an animal's natural behavior. Most dangerous and potentially harmful encounters occur because people fail to leave animals alone. Leave newborn wildlife alone; a parent will return.

The following wildlife tips should help foster a community culture of safety and mutual respect:

- When viewing wildlife, follow the rule of thumb! With your arm fully extended, you should be able to cover the entire animal with your thumb
- Never feed wildlife. Intentional or inadvertent feeding is a major cause of problems and is against the law
- Leave newborn wildlife alone, a parent will return
- Never approach or handle wildlife to avoid disease transmission
- Wildlife should not be chased, harassed, captured, or domesticated
- Keep your dog under your control- familiarize yourself with the leash laws in Snowmass Village
- Always supervise your pets when outside your home
- If your pet has had contact with a wild animal, notify Snowmass Village Animal Services and your veterinarian. Keep your pets up to date on vaccinations
- Keep all pet food and refuse in a wildlife-resistant metal container, or locked within the home or garage
- Keep lower-level windows and doors locked when you are not home
- Keep your vehicles locked and free of food debris
- Birdfeeders are a major bear attractant. Birdfeeders must be suspended in a way that they are inaccessible to bears
- Clean barbeque grills after each use

SNOWMASS SUPERSTARS

Snowmass Superstars is a new community recognition program—designed to highlight and celebrate the amazing people who make Snowmass extraordinary. Every month from June through September, we'll spotlight individuals who go above and beyond—whether they're local business owners, employees, or community members.

Here's how it works:

- Nominate someone by August 21 to be eligible for June recognition.
- Every nominee gets limited-edition Snowmass swag and a shoutout on [@SnowmassLocal](#).
- One monthly winner will receive a \$200 gift card, and every nominator is entered into a draw for a prize at the end of the summer.

Take a moment to help us celebrate the people who make our community so special.
