SPECIAL EVENT TRANSPORTATION & PARKING

Help Keep Our Community Safe & Accessible!

As we gear up for two of Snowmass' most anticipated events—the Balloon Festival and the Wine Festival—we kindly ask all attendees to follow important parking and transportation guidelines to ensure a safe and smooth experience for everyone.

NO ROADSIDE PARKING DURING BALLOON FEST

Parking along Owl Creek Road or Brush Creek Road is strictly prohibited because of severe fire danger. Even a single spark from a vehicle could be disastrous in dry conditions. Town crews will be proactively watering roadside areas, but your cooperation is essential.

Balloon Festival Parking

Available at Town Park Station and the Intercept Lot. Once full, use the Numbered Lots or Base Village Parking Garage.

Shuttle Schedule – Route 4 (Snowmass Mall ↔ Town Park Station)

Night Glow (Fri): Every 5 min | 5:30 p.m. – 10:00 p.m.

Saturday: Every 5 min | 6:30 a.m. – 11:00 a.m.

Sunday: Every 10 min | 6:30 a.m. – 11:00 a.m.

LABOR DAY HOLIDAY & JAS CLOSURES

Town of Snowmass Village administrative offices will be closed on Monday, September 1, 2025, in observance of the Labor Day holiday. Snowmass Village will also host the JAS Labor Day Experience during the Labor Day weekend, which will result in several weekend-long road and facility closures.

The Recreation Center is closed from 4:00 p.m. on Friday, August 29, through Sunday, August 31. The Recreation Center will reopen for regular hours on Monday, September 1 (5:30 a.m. – 8:30 p.m.)

Due to the JAS Labor Day Experience, Brush Creek Road between Horse Ranch Drive and the lower roundabout is closed from 5:00 p.m. on Thursday, August 28, until midnight on Monday, September 1.

Police officers are available via dispatch by calling 970-923-5330, or by picking up the front door phone if on-site at Town Hall. Solid waste operations will continue as normal.

For emergencies, please dial 911. For all other police business, please dial (970) 923-5330.

Village Shuttle routes will be offering amended service for the holiday weekend. Remember, the Village Shuttle will not provide service to the concert venue. JAS attendees must catch a concert bus along Brush or Owl Creek Road. Route #8 service to Melton and Horse Ranch will serve residents only. Transit riders are encouraged to download the Village Shuttle app to request rides and view real-time transit information. Download the Village Shuttle app from your preferred app store.

Looking for something to do in Snowmass for the holiday weekend? Head to [gosnowmass.com/events](https://www.gosnowmass.com/events) to see the full list of happenings in town. Have a safe holiday!

SHARE YOUR FEEDBACK!

The public is invited to provide feedback on this project during the regular Town Council meeting on September 2. The meeting is being held in the Council Chambers at Town Hall (130 Kearns Road) at 4:00 p.m.

The proposed roundabout replaces the existing intersection and also includes pavement reconstruction, additional bus stops, pedestrian walkways, retaining walls, storm drainage, utility improvements, and multimodal trail improvements. This project improves the safety of the intersection for all users.

Learn about this critical infrastructure project

Roundabout at Brush Creek & Owl Creek Roads

What's happening at this intersection?

- The proposed roundabout replaces the existing intersection and also includes pavement reconstruction, additional bus stops, pedestrian walkways, retaining walls, storm drainage, utility improvements, and multimodal trail improvements.
- This project improves the safety of the intersection for all users.

Why a roundabout?

- Improving this intersection with a roundabout improves its safety and functionality for all users - motorists, bicyclists, pedestrians, and transit services.
- This construction will allow the Town and its partner agencies to update critical underground utilities & other infrastructure.
- This intersection currently operates at a *failing level-of-service*. Safety is compromised during inclement weather, busy times of the year, and other operating conditions.

What's the cost?

- Estimated Project Cost: **\$8,500,000**

PEDESTRIAN SAFETY IN SNOWMASS VILLAGE

The Town of Snowmass Village is committed to creating a safe and walkable community by investing in infrastructure that promotes pedestrian safety. From well-maintained sidewalks and clearly marked crosswalks to rapid flashing beacons at key intersections, these improvements help ensure safer travel for everyone on foot.

As residents and visitors, we can all do our part. Use crosswalks whenever available, activate flashing beacons before crossing, make eye contact with drivers, and wear bright or reflective clothing—especially in low-light conditions.

Drivers: please slow down, stay alert, and always yield to pedestrians, particularly at crosswalks with active flashing beacons.

Together, let's keep Snowmass Village a safe and welcoming place for walkers of all ages.

SNOWMASS VILLAGE TRAILS

A World-Class Trails System!

Snowmass Village is naturally blessed with the components of a world-class trails system: good terrain, good views, and good infrastructure. The Parks, Recreation & Trails Department manages 24 town trails (both paved and unpaved) for the safety and enjoyment of outdoor enthusiasts of all types and abilities.

Use of E-bikes and E-Boards in Snowmass Village

Please be aware that all e-bikes, including e-boards, are prohibited on all unpaved and dirt trails in Snowmass Village

SNOWMASS VILLAGE TRAIL ETIQUETTE

Whether you're hiking, biking, or out with your dog, Snowmass trails offer something for everyone—and that means they're shared by everyone. A little courtesy goes a long way in keeping our trail system safe, scenic, and sustainable.

Stick to Open Trails

Always follow posted signs and avoid closed routes. Biking is not allowed in federally protected Wilderness areas, and trespassing on private land not only causes damage but also risks access for others.

Muddy? Maybe Not Today

If the trail is wet or muddy, consider a different route. Tire ruts and footprints in soft ground lead to erosion and long-term damage. It's a small choice that makes a big difference.

Leave No Trace

Stay on the trail. Don't cut switchbacks or make new paths. Pack out all trash (yes, even dog waste!) and avoid disturbing plants, wildlife, or historic features. Let's keep nature natural.

Leash Laws in Effect

In 2023, the Town updated its leash laws. Dogs must be leashed in key public areas—like the Rim Trail, Base Village, and Fanny Hill. Outside those zones, dogs may be off-leash only if under full voice control. Be sure to check signs and respect more restrictive HOA rules.

Yield, Smile, Be Kind

Uphill travelers get the right of way. Bikers yield to hikers and horses. Say hello, ring a bell—simple gestures that keep everyone feeling welcome and safe on the trail.

Respect Wildlife

Watch from a distance and never feed animals. Move calmly and give space, especially around horseback riders. We're lucky to share these spaces—let's make sure wildlife stays wild.

Be Ready

Mountain weather can change fast. Bring layers, water, and a plan. And if you see trail maintenance vehicles, give them room—they're working hard to keep our trails in top shape. For emergencies, call 911 or contact the Snowmass Ranger Station at 970-923-0531.

LIVING WITH WILDLIFE

In most situations, people and wildlife can coexist. When observing wildlife, you are too close if you change an animal's natural behavior. Most dangerous and potentially harmful encounters occur because people fail to leave animals alone. Leave newborn wildlife alone; a parent will return.

The following wildlife tips should help foster a community culture of safety and mutual respect:

- When viewing wildlife, follow the rule of thumb! With your arm fully extended, you should be able to cover the entire animal with your thumb
- Never feed wildlife. Intentional or inadvertent feeding is a major cause of problems and is against the law
- Leave newborn wildlife alone, a parent will return
- Never approach or handle wildlife to avoid disease transmission
- Wildlife should not be chased, harassed, captured, or domesticated
- Keep your dog under your control- familiarize yourself with the leash laws in Snowmass Village
- Always supervise your pets when outside your home
- If your pet has had contact with a wild animal, notify Snowmass Village Animal Services and your veterinarian. Keep your pets up to date on vaccinations
- Keep all pet food and refuse in a wildlife-resistant metal container, or locked within the home or garage
- Keep lower-level windows and doors locked when you are not home
- Keep your vehicles locked and free of food debris
- Birdfeeders are a major bear attractant. Birdfeeders must be suspended in a way that they are inaccessible to bears
- Clean barbeque grills after each use

LIVING WITH WILDLIFE

Colorado Parks & Wildlife (CPW) offers excellent resources to help residents and visitors better understand how to safely coexist with wildlife. From tips on bear-proofing your home to guides on identifying animal tracks and behavior, CPW's website is a one-stop hub for education and safety. You can explore these tools at [Colorado Parks & Wildlife](https://www.coloradoparksandwildlife.com).

Being informed and proactive helps protect both people and wildlife, and keeps our village wild in the best way.

EXPANDED SUMMER SHUTTLE SERVICE

Through September 21, residents and visitors of Snowmass Village can enjoy expanded transit service seven days a week, from 6:45 a.m. to 12:00 a.m., thanks to the State of Colorado's Zero Fare for Better Air Program.

Snowmass Village Shuttle will offer free curb-to-curb service across all accessible, public, paved roads within the Town of Snowmass Village. Riders can request rides via the Village Shuttle App, making it easier than ever to get around town without the hassle of parking or driving.

Curb-to-curb service means the shuttle will pick up passengers near the bottom of their driveways or designated accessible locations. Passengers should be prepared to enter and exit the vehicle independently.

Fixed Routes Still in Operation: Route #3 and Route #4 will continue to operate on their regular schedules. Residents living within $\frac{1}{4}$ mile of these routes are encouraged to continue using them during operating hours. For detailed schedules and stop locations, please visit villageshuttle.com/133/Routes-Schedules.

Please note that the expanded curb-to-curb service will not be able to accommodate bicycles.

This enhanced transit offering aligns with the state's commitment to reducing emissions and improving air quality during the busy summer season. Whether heading to work, the trail, or dinner in the Village, let the shuttle take you there — for free.

Use the Village Shuttle App to request a ride: 11:20 p.m. - 12:45 a.m.

Hello, Snowmass Village!

There's a new ride in town.

Rides under 30 minutes are always free.

After 30 minutes, Late Fees are \$5/min.

- » WE-cycle is designed for short, transit-oriented rides.
- » Hop on a WE-cycle e-bike to get to and from housing, local businesses, events and the bus.

ART IN MOTION

In celebration of the bikeshare expansion, Anderson Ranch Arts Center, WE-cycle, and the Town of Snowmass Village unveil *Art In Motion*. This dynamic exhibit transforms each station, and select e-bikes, into a gallery on-the-go featuring artwork from eight Anderson Ranch-affiliated artists.

Explore the artwork [here](#).

Access 580+ bikes at 100 stations in the Roaring Fork Valley.

WE-CYCLE RIDER TIPS

Keep your rides under 30 minutes.

Looking to ride longer than 30 minutes?
Rent a bike from a local shop.

Get the green light.

Green light flashes when bike unlocks and,
when returning a bike, it confirms bike is locked.

Ride safely and on paved trails.

Check your speed, be courteous, wear a helmet,
ride on bike paths, and obey signs, and signals.

Going to Aspen?

Take RFTA and WE-cycle awaits you in Aspen.

RESIDENTIAL COMPOSTING

The Town of Snowmass Village offers all residents residential composting free of charge. Containers for the home are available at Public Works and Town Hall and the public drop-off container is located at the Public Works facility at 3745 Owl Creek Road.

Small amounts of food-soiled paper and compostable packaging are acceptable, including pizza and paperboard take-out containers, Please tear pizza boxes and paperboard containers into pieces before composting.

Please, no styrofoam, waxed, or plastic-covered containers, glass, silverware, cans, bottles, or plastic bags. Garbage and recycling must be kept separate from food composting materials.

SUSTAINABILITY RESOURCES & REBATES FOR RESIDENTS & BUSINESSES

Cutting your carbon footprint doesn't mean you have to drain your savings.

CORE- Community Office for Resource Efficiency

CORE Offers Funding & Support to Improve Buildings in Pitkin, Eagle, & Garfield Counties

Connect with CORE's Energy Concierge to Take the First Step

The Community Office for Resource Efficiency (CORE) provides enhanced services and funding across Pitkin, Eagle, and Garfield Counties. Property owners can receive up to \$200,000 per project for energy-saving improvements like heat pump installations, induction cooktops, and building envelope upgrades.

CORE's Energy Concierge offers free guidance on:

- Project planning and design
- Available financing and incentives
- Contractor matching
- Building code compliance

Additional support, including free energy assessments, is available for under-resourced property owners. Funding is open to residential, multifamily, and commercial properties.

Visit aspencore.org/energy-concierge or call 970-925-9775 to get started.

Holy Cross Energy Rebates

Energy Efficiency & Electrification Rebates

We're proud to offer a variety of energy efficiency and smart electrification rebates to help our members invest in high-efficiency equipment for your home or business.

SNOWMASS SUPERSTARS

Snowmass Superstars is a new community recognition program—designed to highlight and celebrate the amazing people who make Snowmass extraordinary. Every month from June through September, we'll spotlight individuals who go above and beyond—whether they're local business owners, employees, or community members.

Here's how it works:

- Every nominee gets limited-edition Snowmass swag and a shoutout on [@SnowmassLocal](#).
- One monthly winner will receive a \$200 gift card, and every nominator is entered into a draw for a prize at the end of the summer.

Take a moment to help us celebrate the people who make our community so special.
