## TOWN COUNCIL CORNER

View the [calendar of all meetings](https://tosv.com/193/Town-Meetings) at [tosv.com/193/Town-Meetings](https://tosv.com/193/Town-Meetings)

Town Council meets regularly and Town Council [meeting agendas, packets, and minutes](#) are [posted regularly to the town's website](#).

- Regular meetings - 1st & 3rd Monday of each month
- Work Sessions - 2nd Monday of each month
- Meetings & Work Sessions are held in the Council Chambers in Town Hall and start at 4:00 p.m.

### Upcoming Discussion Topics for the Town Council:

- **2026 Annual Budget**
- **POST Grant**
- **Community Survey Discussion**
- **Mall Comprehensive Sign Plan Review**

#### Virtual & Hybrid Meeting Public Participation

Public engagement is a critical component of the civic process. The Town of Snowmass Village values the input it receives from the public during meetings and offers a variety of methods for participation, both in-person and virtually.

Unable to attend a Town Council or other public meeting, but want to make your voice heard? The Town provides alternative ways for residents to participate in public meetings!

[View the Live Stream.](#)

#### Public Comments

Have a comment for the Town Council? Complete the [Public Comment](#) form online. Staff may be following up with you with more information.

Call (970) 923-3777 and leave a voicemail message for Council or staff before the day of the meeting. Please specify that the message is intended for a specific meeting. Alternatively, you can provide written comments by [emailing the Town Council](#) at [council@tosv.com](mailto:council@tosv.com).

# TOWN BOARDS & COMMISSIONS

View the [calendar of all meetings](https://tosv.com/193/Town-Meetings) at [tosv.com/193/Town-Meetings](https://tosv.com/193/Town-Meetings)

The Town of Snowmass Village values and encourages citizen participation in local government processes. One way to get involved is through service on a volunteer board. Snowmass Village has 9 boards and commissions.

Boards & Commissions meet at regular frequencies, as determined by each board. Each board is responsible for specific areas of expertise and provide valuable advice and feedback to the Town Council. [Meeting agendas](#), [packets](#), and [minutes](#) are [posted regularly on the town's website](#).

## Upcoming Boards & Commissions Discussion Topics:

### Environmental Advisory Board

- Pesticides
- Water Resurfacing
- IMPACT Accelerator Program

### Part-Time Residents Advisory Board

- Special Events Impacts

### Planning Commission

- Divide Workforce Housing Project
- Snowmass Mall Comprehensive Sign Plan
- Outdoor Lighting Code

### Parks, Open Space, Trails & Rec Advisory Board

- SkiCo E-bike Plan for West Side Trails

## October Board & Commission Meetings:

- Planning Commission - Oct. 1 - 4:00 - 7:00 p.m. - Town Hall Council Chambers
- EAB - Oct. 7, 3:30 - 5:00 p.m. - Small Conference Room, Town Hall
- POSTR - Oct. 8, 5:30 - 7:00 p.m. - Town Hall Council Chambers
- PTRAB - Oct. 28 - 3:30 - 4:30 p.m. - Small Conference Room, Town Hall
- Town Council Meetings - First & Third Mondays of each month - 4:00 p.m. - Town Hall Council Chambers
- Town Council Work Session - Second Monday of each month - 4:00 p.m. - Town Hall Council Chambers

## OCTOBER COMMUNITY EVENTS

- **Saturday, Oct. 4, 12pm-2pm - Snowmass Community Picnic,**  
*Snowmass Recreation Center, Pool Deck*

For more information on these events and more please visit [gosnowmass.com/events](https://gosnowmass.com/events) and [thecollectivesnowmass.com/event](https://thecollectivesnowmass.com/event)

## ICE AGE DISCOVERY WEEKLY WALKS

Discover the world's finest ice age fossil site in Snowmass! Join an Aspen Science Center educator every Tuesday at 2:00 p.m. in the Limelight Snowmass lobby to learn about mammoths and mastodons.

Explore replicas of Ice Age animal bones, teeth, and tusks. Then, embark on a guided Ice Age Passport Walk through Base Village and the Snowmass Mall, experiencing art inspired by the discovery and earning an Ice Age prize! Suitable for all ages, with adult supervision required for kids under 12.

Every Tuesday - Snowmass Ice Age Discovery Talk & Tour 2:00-3:30 p.m. [Details](#)

# UNDERSTANDING AND REDUCING WILDFIRE RISK IN SNOWMASS VILLAGE

The Town of Snowmass Village, in partnership with Roaring Fork Fire Rescue and the Wildfire Collaborative Roaring Fork Valley, is launching a cutting-edge wildfire risk modeling project to help our community better understand wildfire exposure—and take the most effective steps to protect our homes and neighborhoods.

## What Is the Project?

At the heart of this initiative is a state-of-the-art tool called AGNI-NAR (Asynchronous Graph Nexus Infrastructure for Network Assessment of Wildland-Urban Interface Risk). Developed by Dr. Hussam Mahmoud—a leading wildfire risk expert and Director of the Vanderbilt Center for Sustainability, Energy, and Climate—AGNI-NAR offers a new way to model how wildfire can move through both landscapes and neighborhoods.

Unlike traditional wildfire models, AGNI-NAR uses graph theory to simulate how fires can spread from vegetation to homes—and from home to home. It accounts for factors like wind speed, ember travel, and evacuation pathways, making it one of the most advanced tools available for community-level wildfire risk assessment.

## Why This Matters

With fire seasons growing longer and more intense, understanding local risk is critical. This model will help identify:

- Which homes or areas are most at risk
- How a fire might spread across the terrain and built environment
- The most effective mitigation strategies—like defensible space, building materials, and evacuation planning

For more information on wildfire resiliency, please visit [tosv.com/594/Wildfire-Mitigation](https://tosv.com/594/Wildfire-Mitigation) and [rfwildfire.org/](https://rfwildfire.org/)

# UNDERSTANDING AND REDUCING WILDFIRE RISK IN SNOWMASS VILLAGE

## We Need Your Help

To build the most accurate model possible, we need participation from Snowmass Village residents. A short survey is now available to collect important details about your property—such as roof type, nearby vegetation, and building materials. These details directly impact how fire behaves, and your input is essential.

## Take the Snowmass Wildfire Risk Survey

The more residents who participate, the more accurate and useful the model will be.

## Community Outreach and Collaboration

Over the coming weeks, our team will host HOA and community meetings across Snowmass Village to share more about the project, answer questions, and encourage participation.

This project is part of a broader regional effort by the Wildfire Collaborative Roaring Fork Valley, a partnership launched in 2022 to unite fire agencies, local governments, and community organizations in a shared strategy for wildfire resilience.

By combining science, collaboration, and on-the-ground action, we're working to protect what we value most—our homes, our community, and our future.

For more information on wildfire resiliency, please visit [tosv.com/594/Wildfire-Mitigation](https://tosv.com/594/Wildfire-Mitigation) and [rfwildfire.org/](https://rfwildfire.org/)

What you need to know about...

# Wildfire Ready Snowmass Village

## ***Resilience = Science + Community Engagement***

- Together, we can make Snowmass Village stronger against wildfire.

## ***Wildfire is one of the greatest risks facing Snowmass Village***

- To reduce our risk, we're undertaking the most cutting-edge wildfire modeling available — and we need your help.
- This model will show how fire could spread here and which actions will best protect our homes. But for it to work, we need your home's data.

## ***What you can do***

- Take the Snowmass Wildfire Risk Survey — it's short, confidential, and every response counts.
- Share with your neighbors.

## ***Questions?***

- Contact Angie at the Roaring Fork Wildfire Coalition:
- [Angie@RFVwildfire.org](mailto:Angie@RFVwildfire.org)

Learn about the early childhood education project at the

# Little Red Schoolhouse

---

## *What's happening at the Little Red Schoolhouse?*

- Expanding childcare capacity from approximately 25 students to approximately 65 students.
- Adding four new classrooms in an updated building.
- Improving playground and outdoor learning spaces.

## *Why expand access to childcare in Snowmass Village?*

- Adequate access to childcare is an important component of thriving communities.
- In 2021, Town Council adopted a goal to “Explore an enhanced use of the Little Red Schoolhouse to provide an improved and enlarged childcare/early learning facility.”
- The existing childcare facility has exceeded its capacity and is currently on a waitlist.

## *What's the cost?*

- Estimated Project Cost: **\$8,500,000**
- 

Engage & Learn More:

**[bit.ly/TOSVChildcareAccess](https://bit.ly/TOSVChildcareAccess)**

Learn about this critical infrastructure project

# Roundabout at Brush Creek & Owl Creek Roads

---

## *What's happening at this intersection?*

- The proposed roundabout replaces the existing intersection and also includes pavement reconstruction, additional bus stops, pedestrian walkways, retaining walls, storm drainage, utility improvements, and multimodal trail improvements.
- This project improves the safety of the intersection for all users.

## *Why a roundabout?*

- Improving this intersection with a roundabout improves its safety and functionality for all users - motorists, bicyclists, pedestrians, and transit services.
- This construction will allow the Town and its partner agencies to update critical underground utilities & other infrastructure.
- This intersection currently operates at a *failing level-of-service*. Safety is compromised during inclement weather, busy times of the year, and other operating conditions.

## *What's the cost?*

- Estimated Project Cost: **\$8,500,000**
- 

Engage & Learn More:

**[bit.ly/BrushCreekRoundabout](https://bit.ly/BrushCreekRoundabout)**

Learn more about the workforce housing project at the

# Draw Site

---

## *Why build housing at the Draw Site?*

- The Town's Comprehensive Plan identified a need for **383 additional workforce housing units** to meet the demand.
- The **2021 Workforce Housing Master Plan** identified the Draw Site as a location for future housing.
- **In late 2022, the Council directed staff** to pursue development at the Town Hall Draw.
- During the November 2024 General Election, **Snowmass Village voters approved** a ballot question authorizing funding for the Draw Site project.

## *What's the cost?*

- Estimated Monthly Rental Costs (not including utilities):
  - **Studio:** \$1,145 - \$1,445
  - **One Bedroom:** \$1,435 - \$1,735
  - **Two Bedroom:** \$1,650 - \$1,910
  - **Three Bedroom:** \$2,110 - \$2,660
- Estimated Project Cost: **\$71,770,164** (no new taxes)

## *How many units?*

- **Total Housing Units:** 63
- **Total Parking Spaces:** 102

Engage & Learn More:

[bit.ly/TOSVDrawSite](https://bit.ly/TOSVDrawSite)

Learn more about the planned Snowmass Mall

# Transit Center

---

## *Why add a Transit Center to the Snowmass Mall?*

- Combines **local & regional transit** in one location.
- Meets **current demand** - RFTA & Village Shuttle have dedicated spaces.
- Improve **transit users' experience** - adds restrooms and improves waiting areas.
- Improve **accessibility** and **welcome experience** to the Snowmass Mall.

## *How did we get to this point?*

- **Over 40 years of public transit** planning and service.
- Support from **local, regional, and federal** transit partners.
- **Conceptual design & environmental assessment** completed.

## *What's the cost?*

- The project is estimated to cost between \$40-60M, depending on design elements.
- Current funding structure:
  - Local sources: **\$9 million**.
  - Federal sources: **\$13.5 million**.
  - Approximate **\$20M funding gap** to be filled by a combination of local, state, and federal sources.

# TOWN CONSTRUCTION PROJECT UPDATES

The Town of Snowmass Village works year-round to provide core municipal services such as snow removal, road and infrastructure maintenance, transit, and transportation services, parks and trails maintenance, recreation programs, public safety, and strong fiscal management.

Occasionally, the Town also works on special long-term projects and initiatives. These projects typically span multiple years, and the Town seeks community input and participation to make them a success.

**View All Town Projects & Initiatives at**  
**[www.tosv.com/405/Town-Projects-Initiatives](http://www.tosv.com/405/Town-Projects-Initiatives)**

## Stay Connected on Town Projects!

Want to stay up-to-date with project information? Project updates and information will be placed on project pages as it becomes available. For more (and convenient) engagement with your local government:

- Connect with the Town on social media
- Sign up to receive email and text updates
- Read recent Town news
- Participate in public meetings

# PEDESTRIAN SAFETY IN SNOWMASS VILLAGE

The Town of Snowmass Village is committed to creating a safe and walkable community by investing in infrastructure that promotes pedestrian safety. From well-maintained sidewalks and clearly marked crosswalks to rapid flashing beacons at key intersections, these improvements help ensure safer travel for everyone on foot.

As residents and visitors, we can all do our part. Use crosswalks whenever available, activate flashing beacons before crossing, make eye contact with drivers, and wear bright or reflective clothing—especially in low-light conditions.

Drivers: please slow down, stay alert, and always yield to pedestrians, particularly at crosswalks with active flashing beacons.

Together, let's keep Snowmass Village a safe and welcoming place for walkers of all ages.

View All Town Projects & Initiatives at [www.tosv.com/405/Town-Projects-Initiatives](http://www.tosv.com/405/Town-Projects-Initiatives)

# What you need to know about Snowmass Village's **Outdoor Lighting Code**

---

## ***Why change the code?***

- The Lighting Code revisions enhance the Town's character and livability, prevent non-compliant outdoor lighting, reduce lighting conflicts between property owners, prevent the increase of sky glow, and preserve the naturally dark sky for the benefit of residents, visitors, wildlife, and the environment.

## ***What do I need to know?***

- Passed by Town of Snowmass Village Council on September 2, 2025.
- All outdoor lighting must comply with the outdoor lighting regulations in Chapter 16A of the Town's Municipal Code.
- The Town has moved to measuring light by lumens rather than watts.
- All clear-lensed point light sources must be shielded. Any unshielded light source must use a non-clear, clouded material as the primary lens to reduce glare from the light bulb.
- The Town works on a complaint basis. The person complaining must identify themselves and submit a formal complaint in writing.
- All lighting trespass, seasonal lighting, curfew regulations, and curfew hours begin September 17, 2025.

Engage & Learn More:

**[bit.ly/LightingCodeUpdates](https://bit.ly/LightingCodeUpdates)**

# FREQUENTLY ASKED QUESTIONS ABOUT PITKIN COUNTY WILDFIRE PREPAREDNESS

Pitkin County is one of many partner organizations in the upper Roaring Fork Valley that prepares for and responds to emergencies when they take place. We recognize that planning for wildfires is an essential area of our work and assisting the community with awareness and preparedness information is key to our communal safety.

We hope that the information below helps you be as informed and prepared as possible. Being prepared before emergencies occur gives all of us the opportunity to respond and act more quickly.

## When is wildfire season in Colorado?

---

Wildfires can happen year-round in Colorado, and you should always be prepared and informed; however, the greatest danger for wildfires is from May through September.

## How do I sign up for real-time alerts for wildfire and other emergencies?

---

Please visit [www.pitkinemergency.com](http://www.pitkinemergency.com) and sign up for Pitkin Alert Notification System. Through this service you can receive alerts via text, email, and/or phone call on a variety of emergency topics, including evacuation notices.

## How do I stay informed about wildfire conditions and emergency news in Pitkin County?

---

Please visit [www.pitkinemergency.com](http://www.pitkinemergency.com). Bookmark this website as your one-stop site for emergency communications, updates, and resources.

## Is there an app I can use for alerts?

---

Yes! Pitkin Alerts are now available through the ReachWell app. It's easy to sign up and you can get notifications immediately. Just download the app, allow notifications, add Pitkin County Alerts (and other nearby areas), and select your preferred language. You do not need an account, username, or password to use this app. Download Now: [Android](#) and [Apple](#).

## What are wildfire restrictions or fire bans?

---

To limit the potential for human caused wildfire, Pitkin County utilizes three stages of wildfire restrictions or fire bans, which require changes in human behavior on public and private lands to boost prevention.

### PITKIN COUNTY **STAGE 1** FIRE RESTRICTIONS

The first stage occurs when there is increasing fire danger and an increase in the need for preparedness. Stage I imposes relatively minor restrictions aimed at preventing the start of wildfires based on human activities that are known to be high risk, specifically restricting smoking, fireworks, and spark producing devices like welding, torches, and engines without spark arresters. In addition, campfires are only allowed in designated fire grates in developed recreation sites or private fire pits.

## STAGE 2 FIRE RESTRICTIONS

As the risks increase, the restrictions increase in Stage II. This stage intensifies the restrictions from Stage I by focusing on activities that, although normally managed under permit or contract, have a relatively high risk of causing a fire start. They include all the restrictions in Stage 1 plus ban all open fires, charcoal grills, and off-road vehicles driving or parking off established roads or trails.

**Stage III** - Stage III represents a closure to public lands and impacted area. There are very high risks in this stage and closures are necessary when other mitigation efforts are not sufficient.

### What is a red flag warning?

---

Red flag warnings are a weather forecast category issued by the National Weather Service to inform the public, safety officials, and land management agencies that conditions are ideal for wildfire combustion and rapid spread. These conditions typically include drought or dry conditions, low humidity, high or erratic winds, and the possibility of lightning. Red Flag Warnings also call for changes in behavior.

### How can I prepare for an emergency evacuation?

---

Create an emergency plan, which includes locations and communications plans as well as several different evacuation routes if available. Don't wait to evacuate. Leave as early as possible. Do not linger once orders have been given. Keep your vehicle fueled. Have study shoes and a flashlight near your bed so you're ready for a night evacuation. Have your "go bag" always at the ready.

### What should I put in my "go bag"?

---

Pitkin County has a [recommended list published here](#) and a link to the [American Red Cross' list](#). Essentials include water, non-perishable food, first aid kit, medications, wallet, irreplaceable items, small valuables you can carry, personal computers, extra eyeglasses and contact lenses, and charging devices.

### How do I know what my evacuation zone is?

---

You can learn more about evacuation zones and maps under "Evacuation" on [www.pitkinemergency.com](http://www.pitkinemergency.com) or directly here.

### Is there anything special I should do if I have disabilities?

---

Yes. Pitkin County has a downloadable workbook with tips and guidance. [English](#) | [Spanish](#)

### What agencies cooperate on wildfire strategy and safety?

---

US Forest Service, Bureau of Land Management, Upper CO River Interagency Fire and Aviation Management Unit, CO Division of Fire Protection and Control, Chaffee County, Eagle County, Garfield County, Gunnison County, Lake County, Pitkin County, Pitkin County Sheriff's Office, Aspen Fire Protection District, Carbondale and Rural Fire Protection District, and Roaring Fork Fire Rescue.

# HOW TO STAY INFORMED DURING WILDFIRE AND OTHER EMERGENCIES IN PITKIN COUNTY

## [www.pitkinemergency.com](http://www.pitkinemergency.com)

Your emergency website for wildfires, floods, weather events, road safety, evacuations, and other emergencies. Please bookmark it on your phones and personal computers.

## Pitkin Alert

This is an emergency notification system in real time. You can sign up to receive messages at [www.pitkinemergency.com](http://www.pitkinemergency.com). Messages will be sent to all standard voice and text communication devices that you have registered, including landline phones, cell phones, e-mail, and more. You can opt into the category of messages you receive.

## Reachwell App

Download the ReachWell app for [Android](#) and [Apple](#). You can receive Pitkin Alerts right through your phone.

- Download the app.
- Allow notifications.
- Add Pitkin Alerts.
- Select your preferred language.

The ReachWell app also has notifications for Eagle and Garfield Counties and may have them for other destinations you visit across the country.

# SNOWMASS VILLAGE TRAILS

## A World-Class Trails System!

Snowmass Village is naturally blessed with the components of a world-class trails system: good terrain, good views, and good infrastructure. The Parks, Recreation & Trails Department manages 24 town trails (both paved and unpaved) for the safety and enjoyment of outdoor enthusiasts of all types and abilities.

## Use of E-bikes and E-Boards in Snowmass Village

Please be aware that all e-bikes, including e-boards, are prohibited on all unpaved and dirt trails in Snowmass Village

[Learn more online: snowmassrecreation.com/195/Trails](https://snowmassrecreation.com/195/Trails)

# SNOWMASS VILLAGE TRAIL ETIQUETTE

Whether you're hiking, biking, or out with your dog, Snowmass trails offer something for everyone—and that means they're shared by everyone. A little courtesy goes a long way in keeping our trail system safe, scenic, and sustainable.

## Stick to Open Trails

Always follow posted signs and avoid closed routes. Biking is not allowed in federally protected Wilderness areas, and trespassing on private land not only causes damage but also risks access for others.

## Muddy? Maybe Not Today

If the trail is wet or muddy, consider a different route. Tire ruts and footprints in soft ground lead to erosion and long-term damage. It's a small choice that makes a big difference.

## Leave No Trace

Stay on the trail. Don't cut switchbacks or make new paths. Pack out all trash (yes, even dog waste!) and avoid disturbing plants, wildlife, or historic features. Let's keep nature natural.

## Leash Laws in Effect

In 2023, the Town updated its leash laws. Dogs must be leashed in key public areas—like the Rim Trail, Base Village, and Fanny Hill. Outside those zones, dogs may be off-leash only if under full voice control. Be sure to check signs and respect more restrictive HOA rules.

## Yield, Smile, Be Kind

Uphill travelers get the right of way. Bikers yield to hikers and horses. Say hello, ring a bell—simple gestures that keep everyone feeling welcome and safe on the trail.

## Respect Wildlife

Watch from a distance and never feed animals. Move calmly and give space, especially around horseback riders. We're lucky to share these spaces—let's make sure wildlife stays wild.

## Be Ready

Mountain weather can change fast. Bring layers, water, and a plan. And if you see trail maintenance vehicles, give them room—they're working hard to keep our trails in top shape. For emergencies, call 911 or contact the Snowmass Ranger Station at 970-923-0531.

[Learn more online: snowmassrecreation.com/197/Trail-Etiquette](https://snowmassrecreation.com/197/Trail-Etiquette)

# LEAF PEEPING IN SNOWMASS VILLAGE

**Snowmass Village is home to some of the best displays of fall color in the West.**

**Please be respectful of our natural environment while viewing the foliage!**

## EV CHARGERS IN SNOWMASS VILLAGE

The Town of Snowmass Village is proud to have a number of electric vehicle charging stations located throughout town. Town operated stations can be found at Town Park Station, Town Hall, and Lot 3. (Lot 3 requires a parking permit during the winter season).

View maps and other resources online at [snowmasstransit.com/292/EV-Charging](https://snowmasstransit.com/292/EV-Charging)

## LIVING WITH WILDLIFE

In most situations, people and wildlife can coexist. When observing wildlife, you are too close if you change an animal's natural behavior. Most dangerous and potentially harmful encounters occur because people fail to leave animals alone. Leave newborn wildlife alone; a parent will return.

The following wildlife tips should help foster a community culture of safety and mutual respect:

- When viewing wildlife, follow the rule of thumb! With your arm fully extended, you should be able to cover the entire animal with your thumb
- Never feed wildlife. Intentional or inadvertent feeding is a major cause of problems and is against the law
- Leave newborn wildlife alone, a parent will return
- Never approach or handle wildlife to avoid disease transmission
- Wildlife should not be chased, harassed, captured, or domesticated
- Keep your dog under your control- familiarize yourself with the leash laws in Snowmass Village
- Always supervise your pets when outside your home
- If your pet has had contact with a wild animal, notify Snowmass Village Animal Services and your veterinarian. Keep your pets up to date on vaccinations
- Keep all pet food and refuse in a wildlife-resistant metal container, or locked within the home or garage
- Keep lower-level windows and doors locked when you are not home
- Keep your vehicles locked and free of food debris
- Birdfeeders are a major bear attractant. Birdfeeders must be suspended in a way that they are inaccessible to bears
- Clean barbeque grills after each use

[Learn more online: tos.com/118/Wildlife](https://tosv.com/118/Wildlife)

## LIVING WITH WILDLIFE

Colorado Parks & Wildlife (CPW) offers excellent resources to help residents and visitors better understand how to safely coexist with wildlife. From tips on bear-proofing your home to guides on identifying animal tracks and behavior, CPW's website is a one-stop hub for education and safety. You can explore these tools at [Colorado Parks & Wildlife](https://www.coloradoparksandwildlife.com).

Being informed and proactive helps protect both people and wildlife, and keeps our village wild in the best way.

To find your ride in real time, download the Snowmass Village Shuttle App.

## SHUTTLE HOURS

7:00 a.m. - 11:20 p.m. (every 10 minutes between Snowmass Mall and Snowmass Center)

Use the Village Shuttle App to request a ride: 11:20 p.m. - 12:45 a.m.

# Hello, Snowmass Village!

There's a new ride in town.

## Rides under 30 minutes are always free.

After 30 minutes, Late Fees are \$5/min.

- » WE-cycle is designed for short, transit-oriented rides.
- » Hop on a WE-cycle e-bike to get to and from housing, local businesses, events and the bus.

**ART IN MOTION**

In celebration of the bikeshare expansion, Anderson Ranch Arts Center, WE-cycle, and the Town of Snowmass Village unveil *Art In Motion*. This dynamic exhibit transforms each station, and select e-bikes, into a gallery on-the-go featuring artwork from eight Anderson Ranch-affiliated artists.

Explore the artwork [here](#).

Access 580+ bikes at 100 stations in the Roaring Fork Valley.

Aspen - AABC - Snowmass Village - Basalt - Willits - El Jebel - Carbondale

CYCLE

## WE-CYCLE RIDER TIPS

### Keep your rides under 30 minutes.

Looking to ride longer than 30 minutes?  
Rent a bike from a local shop.

### Get the green light.

Green light flashes when bike unlocks and,  
when returning a bike, it confirms bike is locked.

### Ride safely and on paved trails.

Check your speed, be courteous, wear a helmet,  
ride on bike paths, and obey signs, and signals.

### Going to Aspen?

Take RFTA and WE-cycle awaits you in Aspen.

# RESIDENTIAL COMPOSTING

The Town of Snowmass Village offers all residents residential composting free of charge. Containers for the home are available at Public Works and Town Hall and the public drop-off container is located at the Public Works facility at 3745 Owl Creek Road.

Small amounts of food-soiled paper and compostable packaging are acceptable, including pizza and paperboard take-out containers, Please tear pizza boxes and paperboard containers into pieces before composting.

Please, no styrofoam, waxed, or plastic-covered containers, glass, silverware, cans, bottles, or plastic bags. Garbage and recycling must be kept separate from food composting materials.

# SUSTAINABILITY RESOURCES & REBATES FOR RESIDENTS & BUSINESSES

*Cutting your carbon footprint doesn't mean you have to drain your savings.*

## CORE- Community Office for Resource Efficiency

CORE Offers Funding & Support to Improve Buildings in Pitkin, Eagle, & Garfield Counties

Connect with CORE's Energy Concierge to Take the First Step

The Community Office for Resource Efficiency (CORE) provides enhanced services and funding across Pitkin, Eagle, and Garfield Counties. Property owners can receive up to \$200,000 per project for energy-saving improvements like heat pump installations, induction cooktops, and building envelope upgrades.

CORE's Energy Concierge offers free guidance on:

- Project planning and design
- Available financing and incentives
- Contractor matching
- Building code compliance

Additional support, including free energy assessments, is available for under-resourced property owners. Funding is open to residential, multifamily, and commercial properties.

Visit [aspencore.org/energy-concierge](https://aspencore.org/energy-concierge) or call 970-925-9775 to get started.

## Holy Cross Energy Rebates

### Energy Efficiency & Electrification Rebates

We're proud to offer a variety of energy efficiency and smart electrification rebates to help our members invest in high-efficiency equipment for your home or business.

## SNOWMASS SUPERSTARS

Snowmass Superstars is a new community recognition program—designed to highlight and celebrate the amazing people who make Snowmass extraordinary. Every month from June through September, we'll spotlight individuals who go above and beyond—whether they're local business owners, employees, or community members.

Here's how it works:

- Every nominee gets limited-edition Snowmass swag and a shoutout on [@SnowmassLocal](#).
- One monthly winner will receive a \$200 gift card, and every nominator is entered into a draw for a prize at the end of the summer.

Take a moment to help us celebrate the people who make our community so special.
